With over 30 years of **Research and Development**, Matrix has produced and will continue to develop new world class flavours. We offer you a choice of thousands of near natural, artificial and customised flavours.

Our flavours are produced from raw materials, according to the criteria established by The FEMA GRAS List (Flavor and Extract Manufacturers Association-FEMA: Generally Recognised as Safe-GRAS).

Our experienced **Quality Control Department** ensures that all our flavours undergo stringent quality control procedures before shipment to our valued customers.

For your further assurance we have the following certifications: ISO 9001, HACCP (certification expected end 2005), HALAL, KOSHER (selected items).

Matrix flavours are now exported to about 40 countries.

Among our **customers** are multinationals, reputable regional manufacturers and small and medium-size industries, which are involved in a variety of industries, such as: bakery/biscuits, ice-cream, beverage, confectionary, oils and fats, dairy, instant noodles, pharmaceutical and latex-based industries.

Matrix is committed to customer satisfaction by providing good service, quality and consistent world class products, competitive prices and prompt delivery.

The Matrix Group of Companies

The MATRIX Group of companies was established in 1976 with the formation of Matrix S.B., a company set up as a supplier of palm oil refinery equipment.

Since then, other MATRIX companies have been established to manufacture products such as flavours & fragrances, speciality oleochemicals, bleaching earths and other speciality chemicals.

The Group's commitment to Research & Development and Manufacturing & Services of the highest standard and quality, ensures that we will continue to provide our customers with the finest Products & the latest Technologies.
